3. Events, Members and Photos

April 2, 2010 Meeting Minutes

+ **Officers Present:** John Mangino, Art Ashenden, Gary Bailey, Paul Goldsmith.

John Mangino called the meeting to order at 7:10 PM.

+ The first order of business was to ask if there were any visitors or guests.

+ **The minutes from the previous meeting were read and accepted by the members.**

+ **Treasurer's Report:** Gary Bailey went over the amount of funds in the different accounts. There was some talk about the costs of resurfacing the runway. Gary went over the incomes from the different events this year and the income from membership.

+ **Safety Report:** The snakes and scorpions are out, so be careful what you lift and move. Electricians are being armed on the tables which is dangerous because there is nothing to keep the motor from running until you get to the start table. There have been two instances where things have gone wrong lately. Be careful of wind direction changes as they happen often this time of year. Don't taxi back past the inside pipes of the safety fence. Guys are taxiing back to the tables which overrides the purpose of the safety fences. Guys are calling out takeoffs and landings better.

+ **Membership Report:** Don Manchester was not able to make the meeting.

+ **Camac Report:** Art went over the upcoming events for the next few months. Make sure you check the web site. Tucson has a warbird race coming up and there is an IMAC contest 4/24 & 4/25 coming up also in Tucson. A fun fly is scheduled for May 2nd.

+ **Instruction:** Nothing new to report.

+ **Old Business:** We are down to the 3 yard container for trash. Joe Bailey has installed the new money and key container for the daily rate flyers. The raffle will be

getting smaller due to the winter visitors leaving. There will be no meeting in July and August. Falcon Field setup will be Friday 3-6PM 4/16/2010 and Saturday 6:00 – 7:30 AM. Saturday hours for the display are 8:00 AM to 3:PM. See the web site for a map with the hanger location.

+ **New Business:** John talked about revamping the way the flying stations are used.

+ **Show and Tell:** Ray Pizar did a demonstration on how to tint a canopy with spray paint from Tamiya. He also mentioned a method using Rit dye. He also showed how to seal the gaps around control surfaces with Monocote.

+**The Raffle was held.** There were 12 prizes in this months raffle.

The meeting was adjourned at 8:10PM

+++++

+ **Board Meeting Minutes** April 22,, 2010

Members present: John Mangino, Art Ashenden, Paul Goldsmith, Dave Balch, Don Manchester, Bob Franklin, Gary Porter.

Meeting was called to order at 7:05 PM.

+ **Treasurers report:** None

+ **Membership Report:** 267 members, 231 paid

+ **Camac Report:** Fun fly 5/2/2010, 5/16 .25 size race.

+ **Safety Report:** The snakes are out, be careful. Take a stick with you. Please: if you have a physical limitation abide by it. We don't need to be carrying someone out of the desert. There was an incident last Tuesday regarding an older gentleman who insisted on going out to look for an airplane. It isn't worth it.

+ **Public Relations :** none

+ **Old Business:** We are having a fun fly/ swap meet May 2nd.

Gunsmoke was discussed at length and it was decided to make the field available to a group in the 1/8th Airforce who would like to hold Gunsmoke. There would be no charge for the use of the field and no cost to the club for the event.

Flying from one flight station was discussed again with a trial run to be scheduled. There was talk of using only the center station with all pilots flying close together at that station. It still has to be ironed out.

Items discussed will be now documented at the board meetings. This will put items on record for future reference.

There was talk of a championship series for the .25 size races.

Joe Miele is scheduled for show and tell in May.

+ **New Business:** A special flight area was discussed.

The meeting was adjourned at 7:50 PM.

Any club member having items for sale should e-mail a brief description to Paul Goldsmith so it can be put in the newsletter.
