May 4, 2010 Meeting Minutes

+ **Officers Present:** John Mangino, Art Ashenden, Gary Bailey, Paul Goldsmith.

**John Mangino called the meeting to order at 7:10 PM.**

+ The first order of business was to ask if there were any visitors or guests.

+ **The minutes from the previous meeting were read and accepted by the members.**

+ **Treasurer's Report:** Gary Bailey went over the amount of funds in the different accounts. We had a positive cash flow in April.

+ **Safety Report:** The snakes and scorpions are out, so be careful what you lift and move. The weeds have been cut down, but you can still land on the runway if you choose. Be careful with you smoke butts, the area is drying out real fast and we don't want any fires. Please remember to return the pin after you fly, don't make someone come look for you. 2.4 users please wear your AMA badge on your person so we can see which flyers are members. Maintenance is an important part of flying. Please check your planes before flying them. The taxi ways are for taxiing, not taking off. Don't go out for an airplane by yourself.

+ **Membership Report:** As of 5/1 we had 268 members. Of that 232 were paid members, 23 Family members and 4 Life members. We are down about 9 members from last year.

+ **Camac Report:** Art went over the upcoming events for the next few months. Make sure you check the web site. There is a .25 size race Sunday 5/16.

+ **Instruction:** Nothing new to report.

+ **Old Business:** We had 15 entries at the fun fly. Art sold 12 tables for the swap meet. There will be another fun fly in June. John discussed the new flight station

layout we are going to try at the field. We will give it a try one weekend to see how it works. There is a new area for guys to fly flat foamies off to the west side of the bunker if they care to. Art said that there were about 10,000 visitors to Falcon field for all the shows there. We had 19 airplanes and a lot of hot air flowing. We would like to thank Rick Smith of Mercie J. Auto for cleaning up the weeds at the east end under the stands. He also cleaned up a pile of weeds near the sign at the cactus and emptied the trash cans. Again, Thank you Mr. Smith.

+ **New Business:** The banquet will be January 15, 2011. There will be a 787 Boeing dreamliner at Williams field 5/8/10.

+ **Show and Tell:** Joe Miele brought a few of his hobby related item that he sells with Madison Components. Look at his flyer at the field. Joe has really good prices on a lot of his items, so make sure you check with him if you need something. See the ad on page 5. Joe's website is [www.qualityrcproducts.com](http://www.qualityrcproducts.com)

+ **The Raffle was held.** There were a few prizes in this months raffle.

**The meeting was adjourned at 8:10PM**

+ **Board Meeting Minutes** May 18, 2010

Members present: John Mangino, Art Ashenden, Paul Goldsmith, Gary Bailey, Joe Bailey, Dave Balch, Don Manchester, Bob Franklin, Gary Porter.

**Meeting was called to order at 7:05 PM.**

+ **Treasurers report:** Gary went over the funds in the different accounts and CD's. All the bills have been paid for May. The report was accepted, seconded and passed.

+ **Membership Report:** 272 members, 234 paid @85 last year at the same time. Don mentioned about new members seeking instruction.

+ **Camac Report:** Beat the heat in Flagstaff 7/23,24,25. Soaring in the Pines in Flagstaff 8/29. .25 size races are done for the season. There are a few rule changes for next year. There will be a 12 pilot invitational held at the end of the racing season for a championship. All new racers

must have a 2.4 Ghz. radio. They will try clustering the pilots for the first race.

+ **Safety Report:** The snakes are out, be careful. Take a stick with you. Make sure you are drinking enough. Do not go out after an airplane alone. Make sure to have a cell phone with you if possible.

+ **Old Business:** Bob Franklin, Gary Bailey and Paul Mcdevitt will start work on the by-laws revisions. There was a fun fly discussed for the month of June. There was some discussion with Joe bailey about looking our contract with the parks over to see if there could be some improvements made. **There will be no meetings in July and August.** We talked about getting the intro-pilot program renewed. Nothing definite yet. We also talked about a reciprocal use agreement with some of the other clubs in the valley for use when there is an event at one field and the members there cannot fly. The hole by the driveway entrance was discussed. We are going to try some cold patch to start with.

+ **New Business:** There was a thank you letter from the city of Mesa for our efforts at Falcon Field. **The October meeting will be held at the field on the first Saturday morning of the month. Hot dogs, chips and drinks will be served.** We need some people with skills to share for show and tell at the meetings. Must be R/C related.

**The meeting was adjourned at 7:50 PM.**

Any club member having items for sale should e-mail a brief description to Paul Goldsmith so it can be put in the newsletter.
